Dear Rick,

We've had a very successful and busy summer, and I wanted to thank you for your amazing work organizing the deliveries! The Diamond deliveries went off without a hitch - incredibly organized, smooth and prompt. To put it into perspective, your drivers delivered over 14,000 lunches this summer. Without your help it would have been impossible to ensure that not only was ***no child turned away due to inability to pay***, but that every child this summer had a healthy lunch.

By giving to BGCGV you are helping us to provide opportunities for children and youth to pursue and achieve their dreams while growing into healthy, contributing members of our community.

Thank you Rick for your ongoing support and your team's incredibly hard work!

Best Regards,
